ART Detail

He first painted a corner of nocturnal sky in Cafe Terrace on the Place du Forum, Arles (Otterlo, Rijksmuseum Kröller-Müller). Next came this view of the Rhône in which he marvellously transcribed the colours he perceived in the dark. Blues prevail: Prussian blue, ultramarine and cobalt.

Art Auction Hosting & Management

Allow artists or sellers to schedule their artworks for auction, specifying dates and times. Provide users with a countdown for upcoming auctions.

Artist Profiles & Portfolios

Enable artists to create detailed profiles showcasing their digital works, biographical information, and links to their social media platforms.

Secure Payment Gateway

Provide secure payment methods, including cryptocurrency (for NFTs), credit cards, and PayPal, ensuring flexibility for users around the world.

Community & Networking

Create community spaces where artists can interact with one another, share tips, and collaborate on new digital projects

Live Art Showings & Virtual Gallery Tours

Create an online gallery that allows users to browse art collections, exhibitions, and auctions in a visually appealing, interactive format.

Legal & Copyright Assistance

Assist artists in understanding how to protect their digital artwork, especially regarding copyrights for NFTs and other digital media.
